Dear Moms, Grandmas and significant other female adults,

The Leading Ladies are extremely excited to present to you "BFF – Beautiful Flowers Forever".

DID YOU KNOW THAT???

- Girls thrive when mothers thrive.
- Ordinary mothers and daughters can and will thrive when they face the challenges of being a girl together.
- When mothers create a vision of wellness, wholeness and success for themselves and their daughters and work towards realizing their vision TOGETHER, it is more likely that they will experience success.
- GIRLS NEED AND WANT A CLOSE RELATIONSHIP WITH MOTHERS.

The ultimate goal of BFF is to bring mothers and daughters together in a safe, drama-free, judgement-free supportive space in which we will PURPOSEFULLY PLAN FOR SUCCESS. This goal is in line with the mission of Leading Ladies which is "to aide young ladies in the development of positive and powerful attitudes that will guide them into becoming resourceful and resilient adults".

This program is designed to meet monthly; however, you and your daughter(s) will also be invited to participate in our large group Leading Ladies activities such as: community service, mentoring program, holiday celebration, mother daughter dinner theater outing and our end of the year awards ceremony.
